Note: This is a general sample questionnaire. Questionnaires have been adapted and translated to reflect the specific conditions of each country

Date: Interviewer:

Chainsaw operator questionnaire

City:
Village:
Operator Name:

- Are you originally from this area (village/council)?
- When did you start your activity?
- What job were you doing before?
- How were you led to engage in this activity?

- Does the money provided by this activity permit you to invest in other activities? Also, what is the money mostly used for?

- Do you own your saw(s)? How many? When did you buy it/them and how much for?
- Otherwise, who is the owner (or where does the owner live)?
- Do you have a logging license/title/authorisation/permit?
- What are the main problems you encounter and how do you think they could be solved?

| Problems | Solutions taken or recommended |
|----------|--------------------------------|
| | |
